

Application Form

Molecular Medicine Master's Program
Charité, Berlin

Directions

Part I – Personal Information

Family Name _____ First Name _____ Middle Name(s) _____

Street Address _____ House/Apartment Number _____

Postal Code _____ City _____ Country _____

Home Phone _____ Work Phone _____

email address _____

Date of Birth _____ Place of Birth _____ Nationality _____

Male Married Number of Children _____

Female Single

Part II – Education

For each school/university listed, please include corresponding official certification of your performance and graduation.

Secondary School Information

Name of School: _____

_____ School Location: _____

Dates Attended: From: _____ To: _____

Diploma: Title: _____ Date Received: _____

Final Grade (if applicable) _____

University Information (First Degree)

Name of University: _____

University Location: _____

Dates Attended: From: _____ To: _____

Major/Area of Concentration: _____

Diploma: Title: _____

Date Received /Expected: _____

Final Grade (If applicable) _____

Part II continued on next page.

Second Degree Information

Name of University: _____

University Location: _____

Dates Attended: From: _____ To: _____

Major/Area of Concentration: _____

Diploma: Title: _____

Date Received/Expected: _____

Final Grade (If applicable) _____

If you have obtained other degrees, please specify

Name of University: _____

University Location: _____

Dates Attended: From: _____ To: _____

Major/Area of Concentration: _____

Diploma: Title: _____

Date Received/Expected: _____

Final Grade (If applicable) _____

Part III – Standardized Testing

Other than tests of English language proficiency, if you have taken, or plan to take, any standardized tests, higher education entrance qualification exams, or similar exams, please provide the following information for each exam (You may attach a separate sheet if you need more space). If you have taken the same exam more than once, please complete the information below for each sitting. Please provide official confirmation of each test result listed below.

Name of Test: _____

Test Date: _____

Test Location: _____

Test Result: _____

Name of Test: _____

Test Date: _____

Test Location: _____

Test Result: _____

Part IV – References

Please provide the following contact information for two people who are professionally qualified to write a letter of recommendation on your behalf (family members and relatives are not eligible), and to whom you have forwarded the necessary documents. At least one of your referees should be familiar with your academic and/or research experience.

Referee 1

Name: _____

Position: _____

Relation to Applicant: _____

Postal Address: _____

Email address: _____

Telephone: _____

Referee 2

Name: _____

Position: _____

Relation to Applicant: _____

Postal Address: _____

Email address: _____

Telephone: _____

Part V – Language Proficiency

List all the languages **other than English** that you speak, and briefly describe your ability in each one.

How long have you studied English in an academic setting?

If you consider yourself a native English speaker, please explain why.

Describe your skills in each of the following:

- Writing
- Speaking
- Understanding / Listening
- Reading

If you have taken official tests of English as a foreign language, please indicate, **for each time you took an exam** (use additional sheets if necessary):

Name of Test: _____

Test Date: _____

Test Location: _____

Test Result: _____

Name of Test: _____

Test Date: _____

Test Location: _____

Test Result: _____

Note:

You must also submit an official copy or certificate of your performance of your performance on each language proficiency exam listed above.

Part VI – Essay Questions

Except for the last question which you must answer, please answer only the questions that are applicable. Use a separate sheet of paper for each answer, and include the question at the top of the page. Do not use more than one side for each question.

1. If your education was interrupted at any time, please indicate why, for how long, and what you did in the interim.
2. Please list all courses you have taken and the grades obtained. Include all university or college level courses that you think might be relevant to the master's program in molecular medicine. If you have passed final university examinations, please give details. If you have studied at a university that supplies transcripts or mark sheets (a list of subjects studied and the grades obtained), please include an original or authenticated copy.
3. Please describe any research experience you have acquired, including, if applicable, a title and brief description of your diploma research or thesis. The description(s) should include the significance and goal of your work, your contribution to the research, how long you worked on the project, as well as the name and contact information of the associated advisor or project leader.
4. Please list any honors or awards you have received and that you think are relevant to this application. Include dates and a short description.
5. Please describe your academic and professional interests, your future goals, and the reason why you should be admitted to the program.
